

Jamf Essentials for Schools

jamf Gold RESELLER

Supercharge your school's iPad management and support

Experience the ease of managing, securing and supporting your school's iPads effortlessly and cost-effectively with Academia's Jamf Essentials for Schools solution.

Jamf Essentials is versatile, providing you with the option to either manage Jamf yourself with support from us or delegate everything to Academia for a Fully Managed service.

With over 20 years' experience, Academia is trusted by thousands of schools. That's why we're best placed to help your school manage, secure and support your iPads.

The benefits of Jamf Essentials for Schools

- 1. Flexible.** You choose which option works best for your school and the best way to pay.
- 2. Simple.** It's just a few clicks to get started as we set up your Jamf School environment.
- 3. Secure.** Manage and lock down your school's iPads instantly, giving you full control.
- 4. Accessible.** Our technical support is just a call or email away and we will respond within one hour.
- 5. Unlimited.** There's no limit to the amount of apps/profiles we update for you with our Fully Managed option.
