

## Jamf Essentials for Schools

### The best all-in-one solution for managing your iPads

It's as easy as 1, 2, 3!

Our Jamf Essentials for Schools puts you firmly in the driving seat.

If you want to be completely self-sufficient in managing your iPad, we can help you on your way or if you want Academia to manage everything for you - we can do this too. The choice is yours!

With over 20 years' experience, Academia is trusted by thousands of schools. That's why we're best placed to help your school.

### The best partner for managing your iPads

1. **Quick.** We get schools up and running quickly.
2. **Independent.** Be self-sufficient in managing and deploying your iPad.
3. **Scalable.** You can add new devices in an instant.
4. **Flexible.** You choose which option works best for your school and the best way to pay.
5. **Simple.** It's just a few clicks to get started as we set up your Jamf School environment.
6. **Secure.** Manage and lock down your school's iPads instantly, giving you full control.
7. **Accessible.** Our technical support is just a call or email away, we will respond within one hour.
8. **Unlimited.** There's no limit to the number of apps/profiles we update for you with our Fully Managed option.

**BOHUNT SCHOOL**

“ We chose Academia as our partner for their track record of working with high attaining trusts, their Apple Authorised Education Specialist status and their focus on education. I would highly recommend the team at Academia for the service, attention to detail and opportunities they have provided us with. ”
